

NUTRITION WEEK - RECIPE COMPETITION AMONG PARENTS

DANTESHWAR ENGLISH MEDIUM: In this school, the parents were asked to make corn based items (sweet or savory). Mothers participated enthusiastically. Many recipes were attractively displayed

DANTESHWAR GUJARATI: Mothers participated in making nutritious items out of pulses and legumes and displayed the recipes very creatively

BAGIKHANA PRIMARY: Children participated in 'fireless cooking' competition and also salad decoration. It was a treat to see the creative items made by the children!

ONGC-SECONDARY: children took part in salad decoration competition

ALKAPURI KG SECTION: Parents of boys made sweet dish items and parents of girls made any nutritious item. Participation was very encouraging; in particular we were happy to note that two fathers made the items and took part !

POSTER MAKING

ONGC secondary and primary sections organized poster competitions on the theme of health and nutrition week
